CHRISTOPHER A. BOYKO, J:

This matter is before the Court on Petitioner's Motion for Immediate Relief Under the Provisional Remedies of the Hague Convention Article 7(b) to have Interim Visitation Rights With His Four Abducted Children PS, CS, DS and SS While the Case is Being Resolved (ECF #63) and Petitioner's Motion for to Request Independent Court Ordered Psychological Testing of the Simcox Children for Purposes of Questioning the Validity of Defendants Grave Harm Defense and Discovering Other Possible Causes for the Childrens' PTSD (ECF #64).

Because the Remand Order of the Sixth Circuit was limited to the consideration of undertakings and because the Sixth Circuit has definitively ruled that return of the children poses a grave risk of harm, this Court is without authority to grant the relief sought by Petitioner. Therefore, Petitioner's Motions are denied.

IT IS SO ORDERED.
